BUILT TO RUN. BUILT TO LAST.

Whether your pump runs intermittently or around the clock, Challenger Vacuum Pump Oil delivers dependable protection under demanding operating conditions.

WHY CHOOSE CHALLENGER VACUUM PUMP OIL?

Because your pump is an investment — and cutting corners on lubrication shortens its life! Challenger Vacuum Pump Oil provides the protection your rotary vane pump needs to stay running at peak performance.

**NEVER RUN YOUR
PUMP WITHOUT IT!**

PROTECTION IN MOTION ONE REVOLUTION AT A TIME
